Cafe and Takeaway Opportunity

The Thai E Saan Takeaway, located in Snowy River Avenue behind Nuggets Crossing, provides an ideal opportunity for someone to enter the food industry without a setup period and at a fraction of the fixtures/equipment and fit-out cost.

The cafe includes some out-door tables and with a little re-organising some inside tables, serving area, commercial kitchen, storage area, bathroom, and an abundance of equipment.

If Thai is not your thing, the fit out and equipment will lend itself to virtually any type of cafe and takeaway business.

Contact Main Range for a complete list of the inclusions and to arrange an inspection of the business.
