House 3  2  2 

House & Land Packages, East Jindabyne

Four off-the-plan House & Land Packages are available in Kunama Drive, East Jindabyne.

The blocks are Torrens title, zoned RU5 village, range in size from 340 m2 to 530 m2, have town services, lake and mountain views.

The dwellings are by Compact Haus which provide sustainable housing, built in Europe and assembled in Australia.

Each property provides a high level of quality and efficiency, a sought-after location, views, flexible zoning and the enjoyment of owning a 'never-lived-in' home. These homes are ideal for the small family, first home buyers (grants), or as a weekender / holiday investment.

There are two 3-bedroom, 1-bathroom dwellings and two 3-bedroom, 2-bathroom dwellings (extended) to choose from. All dwellings have large decks, double garages, quality kitchens and living/dining areas, are fully insulated, including double glazed, and have high standard finishes and landscaping.

The smaller homes are on 340 m2 and 445 m2 blocks (approx.) and priced at \$620,000 and the larger homes are on 532 m2 and 464 m2 blocks (approx.) and priced at \$660,000.

Contact Main Range for detail site plans, floor plans and inclusions.

Please note the Compact Haus photographs are of existing dwellings and are for marketing purposes and to provide a visual concept of the style of the planned dwellings.
